

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People v Wesley Neal Jr**
Docket No. **272244**
L.C. No. **06-001860-01**

Michael J. Talbot, Judge, acting under MCR 7.211(E)(2), orders:

The motion to extend time to file appellant's brief is GRANTED TO THE EXTENT that the time for filing appellant's brief is extended until 28 days after the transcript of the hearing held on May 31, 2006, is filed with the trial court clerk. Inasmuch as the register of actions indicates that a pretrial hearing was held on May 31, 2006, it appears that appointed counsel for defendant-appellant should be held responsible for the failure to timely order this additional transcript. It is counsel's responsibility to review the register of actions at the beginning of the appeal to discover whether it is necessary to order transcripts in addition to those ordered by the trial.
